HK Contractors prides itself on recruiting and training talented, motivated professionals to staff our job teams. We are dedicated to continual staff development for all team members. We attend frequent seminars and maintain an up-to-date reference library of relevant books and software to maximize our ability to meet our clients' needs.

HK Contractors offers our clients a broad-based background in residential and commercial building and renovation, as well as in the professional preparation of contracts that promote smooth and rational job flow.

Our company's approach involves working closely with architects, subcontractors, inspectors, and suppliers to make sure everyone on the team is doing their best to fulfill the client's needs.

**HK President and Co-Founder
Tracy Kelly, addressing the
Trenton Green Team**

Tracy Kelly is President and Co-Founder of HK Contractors & Development LLC, specialists in residential and commercial construction and construction management.

Tracy is a graduate of the New Jersey School Development Authority Contractor Business Development Program as well as the New York Center For Nonprofit Management's Executive Leadership Program.

A licensed general contractor, licensed home builder, and estimator, Tracy is knowledgeable in carpentry, masonry, plumbing, electrical, HVAC and LEED.

Tracy apprenticed at Ace Electric, Thompson Plumbing & Heating, McNeill Plumbing & Heating, and Woods Brothers Construction & Masonry Contractors, acquiring a thorough education in the various disciplines of construction.

In 2013, HL Contractors & Development performed a complete exterior renovation of the administrative headquarters of the New Jersey Motor Vehicle Commission in Trenton.

The company's most recent project is a complete interior renovation of the historic 7,000 square foot Masjidullah Mosque in Philadelphia, done to the client's specifications in a Moroccan style.
